Description:	On 12-22-08 at lunch time I went out for lunch, and ABL hadn't sent up a tray for me. Officer Lowe had called down to ABL to get a tray for me. Officer Lowe informed ABL that I was vegetarian. They replied that it wasn't on my tag, and my tag only stated that I was allergic to beans. I have a large number of tags that state I'm a vegetarian. I had to starve today and be refused to eat by ABL.
